VOLUNTEER ROLES

Below are areas for which we need volunteers, with the greatest need being the race course.
Please mark a "1" by your first choice, a "2" by your second choice, and a "3" by your third choice.
We will do our best to accommodate your selection.

_____ **Pre-Registration:** Volunteers work with runners with late registration and runners who have already registered to assign them a race number, give them their T-shirt, and answer any questions they may have.

_____ **Race Course:** Volunteers are stationed at all major road intersections. Their role is to guide runners around the course, ensure no cars are coming and in general cheer the runners on as they complete the 5K. (**Minimum age for this task only is 16**)

_____ **Water Table:** Volunteers set up table and distribute water to runners/walkers at the half-way point of the race. They are also responsible for disposing of all waste.

_____ **Food/Water:** Volunteers help set up the tables that will be used for food and water at the park, prep food and set it out for the runners to enjoy.

_____ **Finish Line:** Volunteers at the finish line will be given day of instruction from the finish line coordinator. Their task is to ensure that every runner's time is documented accurately.
